

Web Design of District Institute of Education and Training MuzaffarNagar (U.P.)

Brief Introduction of DIET MuzaffarNagar.

As the most significant Educational institution, District Institute of Education and Training MuzaffarNagar practically came into existence in 1992 by Govt. of Uttar Pradesh vide G.O.No 1736/15-(13)/90-1499 (55) dated 18-09-1990 formerly known as Junior Basic Training School. DIET MuzaffarNagar started imparting different kinds of trainings programmes in its premises with a view to ensure the quality in the system of Basic education in the District as a whole.

DIET MuzaffarNagar has an academic faculty of highly qualified teachers who simultaneously work as Block Mentors too. While visiting BRCs, NPRCs and schools, they supervise and guide the teachers to sort out their problems, which they face interacting with their students.

DIET MuzaffarNagar is centrally situated at the circular road of the MuzaffarNagar city and well connected by trains and road transport system.

AIMS:

District Institute of Education and Training MuzaffarNagar has apparently the following aims and objectives-

- To prepare efficient and well-trained teachers through its pre-service department.
- Apart from teachers other functionaries like BRC co-ordinators, NPRC co-ordinators, ABSAs and District co-ordinators are also trained and made well informed about the latest on going schemes and concepts confronting basic education system.
- To train instructors and supervisors under alternative schooling and to train the members of the VEC (village education committee).
- To carry on action researches to develop schools into model schools .
- To evolve an effective system of comprehensive and continuous evaluation system.
- To develop rapport with the community through ARG (Academic Resource Group) constituted by the DIET at the district level.
- To design different kinds of training programmes which are genuinely need based.
- To conduct monthly meeting of BRC co-ordinators and monitor the educational activities, which they are, supposed to perform in their respective blocks.
- Proper guidance and linkage with ABSAs, BRC & NPRC co -ordinators, women motivators group and involving community with a view to seek their co-operation in propagating the importance of elementary education.
- To work as an important agency in implementing the education policy framed at National and State level as well.
- To ensure effective implementation of schemes introduced by State Project office/SCERT Lucknow.

TRANSACTIONAL PHILOSOPHY:

Main functions, which DIET M.Nagar is presently doing, are as follows:

1. Training (both Pre-service as well as in service training programmes)
2. Resource support (extension/ guidance, development of materials aids, evaluation tools etc.)
3. Action Research (details have been mentioned below)

The faculty members have finalized action researches on the following topics: -

- Lack of science practicals from class III to class IV.
- Teaching of social studies lacks Globe and Maps in class V.
- To sort out tendencies of committing spelling mistakes in the teaching of Sanskrit language in class VI.

A few more topics have been proposed to be taken up by the faculty members for action research: -

1. Action research in regard to optimum utilization of TLM among primary school teachers.
2. The effect of social studies training conducted in DIET on UPS.
3. Lack of Library in working condition in school .

4. Lack of discipline at Prayer ground.
5. No use science Experiments in science teachin.
